In 1911, the school appointed its first batch of Prefects. More than a century has passed and the Prefect Board, now as one of the leading function teams in the school, comprises fifty The Queen's College Prefect Board comprises a team of conscientious, courteous and disciplined students who make every endeavour for the betterment of Queen's College. We pledge to become leaders of the school and role models for fellow Queenians, assist in various school functions and other assigned duties and at the same time cultivate a good learning environment. Our mission is to promote a sense of self-discipline and belonging towards our alma mater and to uphold the values and reputation of QC. We also aim at nurturing Queenians to become future leaders.

我校於1911年任命第一批領袖生，至今超過一個世紀以來，我們一直肩負己責，作為功能組別(function teams)為學校和同學服務。我們訓導組領袖生是由一班自律自覺，且希望能夠為皇仁書院作出貢獻的中三至中五同學組成。我們志於成為校內領袖並以身作則，協助校內外不同活動舉行，同時維持校內良好學習環境。本組希望在同學之間推廣自律性，加強同學對學校歸屬感並維護學校的價值和聲譽。此外，領袖訓練亦為本組工作的重要一環，我們期望可以在學校培養出未來領袖。

Our Vision 願景

We aspire to advance towards successfully motivating and influencing Queenians to realise the importance and irrefutable obligation as a student - to be self-disciplined, which can mean acting appropriately and emphatically. We also aim at promoting self-motivated behaviour both within the organisation and the school - to build a greater level of proactiveness towards the fulfilling of Prefect's obligations and initiative towards other responsibilities as students this year. We will try to establish a friendly and mutually respectful relationship by engaging in dialogues with students and accepting different advice. We emphasized the absolute necessity of holding role-model qualities that essentially teaches what we preach - the most effective, persuasive and influential method to achieve our goals.

我們期許在不久的將來可以達致工作目標之一：培養同學的自律性，讓皇仁仔(包括一眾領袖生)的決策和行為具合適/合理性且有同理心。我們在本年度希

望貫徹以身作則的原則，由各領袖生做起，再將正確觀念推廣至全校。我們亦希望在將來提升同學在本組甚至校內的參與度及積極性，並加強和同學及其他持份者的溝通，虛懷納諫，建立相互尊重的友好雙向關係，建設共同為學校貢獻且令效益最大化的契機。

Duties 職務

The Prefect Board performs duties at school regularly on schooldays. We are responsible for maintaining general discipline at school. Our goal is never to punish students but instead, to motivate and influence them. Prefects are assigned to 5 groups and patrol the campus during the morning, recess and lunchtime periods. The Board also play an important role in major school events including the Swimming Gala, Athletic Meets, Annual Speech Day and Parents' Night etc. Due to the pandemic, many of these duties have been called off but the Board is still always to serve at these special occasions with one of the greatest manpower among all function teams at school.

領袖生的日常職責主要為於上課日的巡邏及站崗。我們分為5個小隊分別在星期一至星期五當值，在早上，小息和午飯時間巡邏，確保違規行為得到適當處理。本組亦一向在學校的大型活動或年度盛事，如水運會，陸運會，週年頒獎典禮及家長日等中擔任著重要的角色。儘管因疫情關係多數在上述活動內服務的機會減少，但本組作為全校可動員人力數一數二的單位，定必會繼續做好準備，在日後有需要時候提供協助。

Training Sessions 訓練

Aside from having regular duties and providing assistance to school events, we also seek improvement upon the personal development of prefects. In order to sharpen their leadership skills, a series of online workshops are designed for Form 3 and Form 4 prefects. In 2020-2021, the training sessions have been transformed with online meeting tools but we are looking forward to holding physical sessions soon. These trainings aim to enhance prefects' communication skills, decision-making skills, critical thinking, and presentation skills through interactive tasks.

除了透過當值時累積經驗，我們亦志於推動領袖生的個人發展。為了提升他們的領導能力，我們為中三及中四的領袖生提供一系列的訓練，而因應疫情本年度得訓練環節亦移師網上舉行。我們亦希望透過這些訓練，同時提昇領

導生的溝通技巧, 決策能力, 批判性思考以及表達能力。

Social Media 社交媒體

In nowadays' heavily digitalized era, the Board has been actively maintaining social media presence and launched an Instagram page while utilizing the existing Facebook page. We post updates, announcements from school and reminders to enable students to be always informed of the latest development especially in recent months when there are more special arrangements due to the pandemic. We have

also started a Youtube channel and uploaded the interview by our core members with the new Discipline Master Mr Wong Chun Yin. With the above platforms, we hope to reach out and help students in a more approachable manner while promoting a better understanding of the Board among students.

近年來, 我們開始在不同的社交平臺上開設帳號, 例如Facebook和Instagram, 希望能讓同學及時收到學校的資訊以及一些提醒。除此之外, 我們今年亦開設了Youtube頻道, 在這個頻道裡, 我們會上載一些與我們當值有關的片段以及一些與老師的採訪。我們希望透過這些途徑能讓大家對訓導所有更深入的瞭解。
