ENJOY YOUR OWN SCHOOL DAYS

Melodica is a portable musical instrument, which is being popular at the moment. Founded three years ago by graduates Tong Shee-yiu and Renault Luk, this team aims to let students in different forms have opportunities, to play this well-known instrument. We won't play as a band, but we will play as ensemble, duet groups. Through this mode, we can learn how to cooperate with other groupmates so as to accomplish pieces of song.

口風琴是一個便於帶而且近年來著名的樂器。三年前，舊生唐書堯和陸泓樂成立了皇仁書院口風琴隊，目的是讓不同年級的學生，有不同機會吹奏這件出名的樂器。我們不是以一個大樂隊形式演奏，而是分成二人至五人小隊演出。透過這個模式，我們可以學習怎樣與其他組員合作，來完成演奏歌曲，實在是獲益良多。
