

Badminton Team

The Queen's College Badminton Team is prominent for its dominance in the Hong Kong Island Inter-School Badminton Competition (Division One) and has been the overall champions for sixteen consecutive years. Besides that, we have also managed to advance into the semi-finals with a triple in five years in a territory-wide badminton competition organized by the Hong Kong School Sports Federation. Our team aims at endorsing the value of sportsmanship, team spirit and leadership.

Aiming to get a splendid result, we have a strenuous training session every Wednesday and Friday, from 3:30 to 6:00. Our coach, Mr. Wong Wai Keung, who is an old boy of Queen's College, always teaches skills and tactics, also gives nifty advice to elevate our court sensitiveness. However, due to the pandemic, most courts are closed so we are compelled to stop our training. But we still struggle tenaciously in this adversity. We will practice our feeling to the shuttle by possessing the shuttle in a vacant area. Practicing physical capability at home will also maintain a good physical fitness and allow us to remain competitive in the upcoming competitions after the pandemic.

In conclusion, it was definitely an unluckily year for our team as we couldn't fully showcase our talents. However, we would never give up and would do our best to shine and honor our alma mater. Last but not least, we would like to thank our coach, Mr. Wong Wai Keung, our teacher advisor, Mr. Lee Ying Ho, and also all our team members for their dedication and support.
