

The Tennis Club was established in 1908, which makes it one of the oldest sports clubs in Queens College. Here in the Tennis Club, we aim to promote and share our interests in tennis, and to strive for better inter-school results at the same time.

Regular trainings are held on Wednesday, where teammates develop new skills and techniques. We are fortunate and grateful that the Chinese Recreation Club and the school have arranged courts for our training purposes. We hope to seize these opportunities to become better individually and as a team.

Following great achievements in inter-school competitions in the past few years, including the Division 2 Third Runner-up in 2018-2019, we look forward to continuing our success in these competitions in the future. We believe our hard work pays off and we are capable to achieve much higher rankings.

However, the global pandemic has deeply affected us. Despite tennis being a non-contact sport, courts have been closed for most of the time and it has been difficult to gather teammates together for training as only online classes are held. Our competitions this year have also been cancelled. We are gutted that the virus has greatly reduced our time on the tennis court, and we hope everything returns to normal as soon as possible.

Finally, we would like to express our gratitude to everyone involved in or related to the tennis team, we also hope we can see new faces join each and every year. We hope the Tennis Club continues to thrive in the years to come.
